Michelle Gonzales, Vice President, called the meeting to order at 7:00 pm. She announced the meeting would have a different format and we would hear from two speakers.

Michelle Gonzales introduced Allison Ingalls, Counselor at Harding Charter Prep. Allison Ingalls told us about To Much Too Loose-an healthy habits for teens and that \$800.00 was raised by a bake sale. She proposed doing an after prom, between 12:00 am and 5:00 am. It is a safe place for students to go after the prom. It would need parent volunteers. Mr. Caram supported this idea stating he had been involved in this at other schools.

Michelle Gonzales introduced Caryn Pacheco, Finance Director at OU. She gave a power point presentation on financial aid to colleges.

Meeting was adjourned.
