Emergency Drills

In cases of an actual tornado or fire, persons are to follow these drill procedures.
In the case of a tornado drill, persons should move in an orderly manner to assigned locations as quickly as possible. Students should be seated on the floor and await further instructions.
In the event of a fire drill, the siren and strobes will be the signal that all persons must leave the building by the nearest exit, in accordance with the plan posted in each classroom. All persons exiting should withdraw to a distance of one hundred (100) feet from the building and remain there until the sirens conclude and a school official signals to students indicating that the building may be reentered safely. Drills are conducted at various times throughout the school year. *Teachers will take their emergency bags with them so they can take roll and account for all students.*

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) afford parents of students under 18 years of age and students over 18 years of age (“eligible students”) certain rights with respect to the student’s educational records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the school receives a request for access.
   Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading or in violation of student’s rights.
   Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they wanted changed, and specify why it is inaccurate, misleading or in violation of the student’s rights.
   If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Governance Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student participating in school service program or serving on an official committee, or assisting another school official in performing his or her tasks.
The School is permitted to disclose what is termed “directory information” of a student to others without consent of the student or parents, if the student is under 18 years of age. The student or parent, if the student is under 18 years of age, may restrict or prevent the release of all or any part of the information designated as “directory information” without their prior consent provided that the student or parent, if the student is under 18 years of age, notifies the school, in writing, within (ten) 10 days of receipt of this handbook, that any or all of the “directory information” should not be released without the student’s or parent’s, if the student is under 18 years of age, prior consent. “Directory information” is designated as: the student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:
   Family Policy Compliance Office
   U.S. Department of Education
   600 Independence Avenue, SW Washington, D.C. 20202-4605

**Armed Forces Student Access**

Federal law requires local educational agencies to provide military recruiters, upon request, access to specific information on a secondary school student, unless the parent of the student or the student opts out of the disclosure of this information, in which case the information may not be released without the parent or student’s prior written consent. A request to opt out of the disclosure of the specific information must be in writing and only a parent of a secondary school student may submit such until the secondary school student has reached 18 years of age. At 18 years of age, the secondary school student may request in writing to opt out of the disclosure of information.

**Immunizations**

Oklahoma law requires that parents or guardians of all minor children in grades kindergarten through twelfth for all public, parochial or private schools in the State of Oklahoma, present a certified copy of required immunizations upon school entry. To be in compliance with this law, the student must have received or be in the process of receiving immunizations for DPT/DT, Oral Polio, Measles, and Rubella. Measles immunizations must have been administered after one year of age. HIB immunizations are also required for students entering the seventh grade in August 1997.

**Medication**

Pursuant to Oklahoma law only medication that has been prescribed for a student by a physician will be administered by school personnel. Medication brought to school to be administered by school personnel will:
A. Be in a prescription vial or bottle, with the pharmacy label that states the physician’s name, the name of the medication, and the directions for the administration of the medication of a particular student. This could include an over-the-counter medication such as cough medicine, aspirin, or any other domestic remedies, ONLY if a physician has made a diagnosis and has directed that a specific medication be given to that student. Non-prescription medicines must be in the original container and accompanied by the physician’s written request and instructions for administration at school.

B. A written request, signed by the parent or guardian, must accompany the medication, stating the name of the medication, the amount to be given, and the time it is to be given.

C. Medication that is given for longer than ten (10) days or “only when necessary” (PRN) will require a written and signed statement by the physician. Forms for the physician’s statement are available in the school office.

If it is necessary for a student to take prescribed medicine during the school day or have medicine in their possession, the student must have a written request and instructions by the physician turned into the main office. A student may then obtain written permission to be released from class at the appropriate time for the purpose of taking such medication.

**Child Nutrition Programs**

Students may purchase meal funds through the main office. Checks made payable for meal funds will NOT be exchanged for CASH. Applications for free or reduced lunches may be obtained from the office. Free or reduced lunches cannot be shared with other students. **All outside food delivery services are prohibited unless delivered by parent or guardian of student.**

**Child Nutrition Charge Policy**

In compliance with the *Healthy, Hunger-Free Kids Act of 2010* and SP 46-2016, the LEA implements the following lunch charge policy:

**Local Meal Charge Policy Considerations**

1. Students who are unable to pay for their meal at the time of the meal service may charge either breakfast or lunch on the student’s school lunch account;
2. The limit for student charges is $100;
3. If a student charges a meal, the student will be allowed to receive a reimbursable meal with no limitations;
4. Families can find assistance by contacting the Principal;
5. The school will notify households for negative balances by email, phone, or direct mail.

**Local Meal Charge Policy Communication Requirements**

1. Households will be notified of the charge policy at the beginning of each year;
2. Transfer students will be notified of the charge policy during enrollment;
3. Parents will be notified at the time of any changes to the charge policy;
4. Staff will be trained annually on the lunch charge policy.

**Alternate Meal Policy Considerations**

1. If a student charges a meal, the student will be allowed to receive a reimbursable meal with no limitations.
Delinquent/Bad Debt Practices

1. Households will be notified of delinquent debt monthly;
2. Households who are delinquent and may be approved for free/reduce lunch services will be encouraged to submit an application;
3. Households will be notified by mail of unpaid meal charges, expected payment dates, and collection efforts;
4. The Principal will determine whether the achievement of program purposes would be jeopardized by the diversions of staff time and effort to collect payment;
5. Accounts with a negative balance as of May 31 may be referred to the school’s legal counsel or designated collection agency for payment;
6. The school may solicit donations or use general fund collections to ensure that funds will be obtained to restore any unallowable bad debt to the School Food Service Account.

Financial Obligations

Students are expected to take care of any financial obligation that they may incur. If a student does not, the following may occur:

1. A student will not be allowed to pick up the following year’s enrollment schedule.
2. Grades will NOT be sent out.
3. Records will not be released to other schools.
4. Will not participate in extra-curricular activities.

Leaving After School

Students should exit the school building immediately at the close of the school day unless participating in an After-School Program, event or activity, with a teacher, coach or sponsor. Only students involved in activities or athletics may remain in the building beyond 3:20 p.m. and must be under the direct supervision of a teacher, sponsor or coach. Any students that fail to participate in such will be removed from the school building at 3:20 p.m. unless wind chill is below 40 degrees, or an emergency arises. Students, unless involved in an after-school program, event or activity with a teacher, coach or sponsor shall leave the campus at the close of the school day, but no later than 5:30 pm and shall not loiter around or on the school grounds. It is the responsibility of the parents to ensure that students are picked up by 5:30 pm. If the student drives his/her own vehicle to school, then they are responsible for complying with this policy.

Lost and Found Articles

Students are responsible for all items used at school. Personal items should be marked with the student’s full name. Students who have lost items may ask for them in the main office. Students finding articles in the school should bring them to the main office. All unclaimed items are given to a charity at the close of the school year.
Messages

The policy toward student messages is as follows:
  a. Students are generally not called to the office telephone. In case of sickness, in the home, or some emergency, which the caller must indicate, messages will be delivered.
  b. Parents/guardians are the only people who may call and leave messages to be delivered to students.

Telephone

Students may use the telephone in the office to contact parents or guardians only. If a call has to be made during class time the student must first obtain permission from their teacher. Student’s abusing the telephone may lose the ability to use the telephone.

Visitors

Harding Charter Preparatory High School policy does not allow visitors to attend classes/lunch with a student. Only persons with legitimate business at the school or parents will be allowed. All visitors and parents should sign in through the office and should leave promptly when their business is completed.

Flowers or Gift Delivery

Flowers, balloons, or gift deliveries are accepted. Deliveries will be held in the front office for pick up at the end of the school day.

Computer Usage Policy

Student use of networked computers is available from 7:30 am to 4:30 pm each day. However, student use will be at the discretion of the teacher using the classroom. Students may use personal laptops only in the classroom at the discretion of teacher as long as the classroom abides by equitable practices. Access to the internet is available in certain computers throughout the school and through WIFI. However, before any student is given permission to use the Internet, he/she must have signed the Internet Agreement form part of the enrollment sheet and it must be on file with the principal’s office. The following policies apply to any computer or personal laptop at HCPHS. Failure to comply with these policies will result in disciplinary action through the office and loss of computer privileges.

- No chat rooms and/or instant messaging may be accessed on any computer at HCPHS.
- Games are not to be loaded on any computer.
- Computers and their supported technology are to be treated with care and respect.
- Any unauthorized use of the computer network is strictly forbidden.
- Only school related use of the computers is authorized.
- No cloning or copying software
Grading Scale

A – 90% to 100%
B – 80% to 89%
C - 70% to 79%
D - 60% to 69%
F - 0% to 59%
I - Incomplete – For the fall semester, incompletes must be completed within two weeks of the spring semester. For the spring semester, incompletes must be completed by June 30th.
NC – No Credit – On the 10th excused/unexcused absence, a student will receive a “no credit” on his/her transcript for the semester. If the student is passing at the end of the semester, he/she will receive a No Credit (NC) for the class in which the absence limit has been exceeded. If he/she is failing, the failing grade will be recorded.

In order to maintain the consistency and the meaning of the grading system, the following method of determining grades will be used.

1. The teacher will utilize grading patterns that are fairly administered and based on identified criteria. A minimum of two grades per week will be submitted by the teacher to provide opportunities to all students. Students and parents will receive prior notification of the criteria and objectives.

2. The teacher will use multi-criteria assessment, measuring student mastery of the stated objectives through projects, daily assignments, tests, etc.

3. Nine-week evaluation will include multi-criteria assessments as listed above.

4. All semester grades will be calculated as followed:
   Eighteen weeks average = 80%  
   Semester exam/project/performance = 20%

Semester Exam Final Exemptions

Students may be exempted from the second semester final exam in any Advanced Placement course by following these guidelines. There are no exemptions for first semester final exams.

1. Students must have at least a “C” average in the current enrolled Advanced Placement course by May 1st.
2. Students must enroll and participate in the Advanced Placement exam for that course scheduled in May.

Students may opt to take the semester examination. However, the student must accept the risk that the test score may lower his/her semester grade. The decision to take the test must be made one week prior to the final examination week.
Grade Classification

The following criteria will be used to determine the classification of students by grade at the beginning of the Fall Semester:

- Twenty-One (21) units to be classified as a senior and member of the present graduating class.
- Fourteen (14) units to be classified as a junior.
- Seven (7) units to be classified as a sophomore.

Graduation Requirements

Graduation Requirements for a Standard Diploma to graduate from Harding Charter Preparatory High School, a student must have earned a total of twenty-eight (28) units. Student must take each core for four (4) consecutive years of high school.

Oklahoma Academic Standard Testing Requirements

- 11th Grade State ACT (taken in grade 11)
- CCRA State Science Exam (taken in grade 11)
- CCRA State US History Exam (taken in grade 11)
Valedictorian and Salutatorian
Senior Class

The Valedictorian will be the student having the highest weighted GPA. The Salutatorian will be the student with the second highest weighted GPA. To qualify as a valedictorian or salutatorian, the student must be enrolled in Harding Charter Preparatory High School at the beginning of the fall semester of his/her senior year and have had no major infractions of the HCPHS Code of Conduct. Any credits earned prior to entering high school will not be used to calculate GPA.

Extracurricular Activity Eligibility

Any student competing in any extracurricular activity must maintain scholastic eligibility in order to participate. Scholastic eligibility is defined for every student, including incoming ninth graders and transfer students, as receiving a passing grade in each subject he/she was enrolled during the previous semester, even if said semester is from the previous school year whether from HCPHS or another school in which the student was enrolled.

If a student does not meet this requirement, he/she is not eligible to participate during the first six weeks of the new semester, even if said semester is in a new school year.

Example: Any student who failed a class in the 2020 Spring Semester is ineligible to participate until Monday, September 21, 2020. (These dates will change to reflect applicable years.)

Scholastic eligibility will be checked three weeks after the start of each semester and each succeeding week thereafter. These grade checks will be done every Thursday morning by 8:00 AM. The period of ineligibility will always begin the following Monday and end on Sunday.

A student must have a passing grade in all subjects in which he/she is enrolled during a semester. If a student is not passing all subjects in which she/he is enrolled on the day of the grade check, he/she will be on probation for the next one-week period, as stated above. If a student is still failing one or more classes during the next week on the grade check day (even if it is a different class/subject than the prior week), he/she will be ineligible to participate during the next one-week period. A student will not regain eligibility until he/she is passing all subjects on the day grade checks are done. During a week of ineligibility, a student may still participate in practices. All ineligibility periods run from Monday to Sunday following the date of the most previous grade check. Even if a student regains a passing status the day of a grade check, he/she is not able to participate until the following Monday.

Incomplete grades and no credits will be considered to be the same as failing grades in determining scholastic eligibility. A passing grade is defined as making a D or higher.

Example: Any student who fails a class in the 2020 Fall Semester will be ineligible until Tuesday, February 16, 2021. (These dates will change to reflect applicable years)

Schedule Change Requests

Students wishing to change their schedules must complete the appropriate form at the beginning of the semester by the last day of the first week of school before 3:00pm. The forms may be picked up in the main office. Also, students enrolled in a full year class, may not drop this class for the next semester without administration approval.

**Counseling Office**

The Counseling office is located in C hall. 

Guidance services are available to every student in the school. These services include:

- Assistance with educational planning
- Study help
- Help with home, school, and/or social concerns
- Any questions a student might feel they would need to discuss

The Counseling office believes that parent input is important and encourages parent involvement.

Parents or Guardians may request a meeting any Monday, Tuesday, Wednesday, Thursday, or Friday meeting at 7:30am with the teachers accompanied by the counselor and assistant principal through the counseling office. **No group meetings may be arranged after-school hours.** If a parent or guardian arrives after the scheduled time, the meeting must be rescheduled, or the meeting may continue with the absence of the teachers.

---

**Scholarships and Other Opportunities**

Scholarships and other opportunities are available to those students who have achieved excellence in academics and have also scored well on college entrance examinations. There are also special scholarships/opportunities and awards for students who have demonstrated outstanding talent, for example, athletics, music, art, leadership, etc. Information is available in the Counseling Office and distributed through various classes. Please check the scholarship/opportunities bulletin board inside the Counseling Office on a regular basis for current information.

---

**ACT, PSAT, & SAT Testing**

The ACT is a college entrance test. Students can take this test on any of the national testing dates. (see the Counseling Office for details). We suggest that students take the ACT early and often, as this will help them become comfortable with standardized testing and it is proven to help raise scores. HCP administers the ACT during the October and February testing sessions, with 11th grade students taking it as a state assessment in April. The April ACT will collect additional information about your student’s college and career interests, including high school course/grade information, student profile, and interest inventory. A request to opt out of the disclosure of the specific information must be in writing by the end of 1st semester and only a parent of a secondary school student may submit such until the secondary
school student has reached 18 years of age. At 18 years of age, the secondary school student may request in writing to opt out of the disclosure of information.

The PSAT is administered to the 9th, 10th, and 11th graders to prepare them for college entrance exams. When students take the PSAT in the 11th grade their score can qualify them for National Merit Finalist ranking. The SAT tests are designed to assess students’ academic readiness for college. These exams provide a path to opportunities, financial support, and scholarships in a way that’s fair to all students.

**Grade Viewing**

Grades can be viewed by signing on to PowerSchool. In the event you cannot access PowerSchool, please feel free to call or email your child’s respective counselor for his/her grades. Grades are submitted by teachers before eligibility of each week.

**Progress Reports**

Progress Reports are completed by teachers every nine weeks; the dates are listed on the calendar at the front of this handbook. The date that is listed is the last date of the nine weeks; grades are uploaded and will be mailed out the following week. Semester grades are mailed about two weeks after the last day of the semester.

**Transcripts**

Transcripts needed for military use, scholarship consideration, college applications, or prospective employer information may be requested from the office. Please allow 24 hours processing time, excluding weekends and holidays, from when a transcript request form is turned into the office.

A senior who is accepted at one or more college(s) should request a transcript of final grades to be sent to the college where he or she plans to enroll. Six (6) transcripts are provided to the student free of charge.

**Library/Media Center**

Harding Charter Preparatory High School Media Center contains materials to meet the research and recreational reading needs of our students.

To assure excellence in library service, it is important that students comply with the following guidelines:

1. The media center is open every school day with some exceptions. Students are welcome at all times during the school day for the purpose of research, study, or recreational reading. Media passes are required from classroom teachers during class times or lunch, but not before/after school.
2. Three items may be checked out at one time. If a student requires more than three items for a special project, the staff may extend check-out privileges. A clean return history will determine if privileges are extended. Regular circulating books are checked out for a two-
week period, with one renewal option. Reference books may be checked out after school and returned the following morning.

3. Fines for overdue items are assessed as follows:
   Regular circulating books: $.10 per day past the due date.
   Reference books $.25 per hour beginning with first hour of the morning they are due.

4. Materials that are lost or damaged must be paid for by the student.

5. Fines will accumulate to a maximum of the cost of replacing the item until the item is either paid for or returned.

6. Grades and transcripts will not be released to anyone, including students, parents or any other educational institution until all outstanding library obligations are paid in full.

7. Internet usage is restricted to information needs related only to school assignments. Students are required to have the Internet Agreement box on file signed by a parent/guardian. Use of the internet for other than permitted uses will result in serious disciplinary action.

8. Theft or attempted theft of library materials or pranks played with the media center’s security system will result in serious disciplinary action.

Lost and Damaged Textbooks

Each textbook has a different number on it. When the student is issued a textbook, the student is responsible for that numbered textbook. Whether the book is lost, stolen or damaged (by the student or other persons or animals) the student is responsible. Books that have been lost or damaged must be paid for by the student. Students shall pay for books in the main office.

If anything happens to a student’s textbook that hinders him/her from returning it to the teacher at the close of school, the student will not receive grades, nor will their grades be released to any person or entity until the obligation is resolved.

Volunteer Hours Policy

STUDENT

The Governance Board views the Community Service component of our students’ education as a means of developing awareness by our students of their role in the community. It is required that each student will complete 30 hours of community service per year. We hope to instill an attitude of responsibility toward their community and a sense of ownership in that community. Community service is one method of developing skills in collaborative work, strategic planning, assessment of outcomes, negotiating skills, and communication skills. Therefore, the Governance Board believes that age appropriate community service projects are an asset to the curriculum. The Governance Board believes that students must be aware that they are representatives of and ambassadors for the school as they work in the community. Students must be capable of carrying out the community service without endangering their academic achievement or safety. Students will be expected to maintain their grades, attend classes and recognize that the activity to which they are volunteering their services is secondary to their primary goal of receiving an education.

PARENT (FAMILY)
The Governance Board believes that a parent’s participation in the education of their child is one of the most important aspects of a child's educational success. Parental participation in the education process is at the core of our school’s foundation. Therefore, the Governance Board has established a Parent Participation Program to provide parents with various activities and projects to assist the school and support their child's education. Participation in the Parent Volunteer program is encouraged for each parent who wishes to admit their student to the school.

Each family is encouraged to complete a minimum of twenty-five (25) hours of volunteer time per school year. The awarding of volunteer hours for tasks shall be outlined below. It is the duty of the parent to maintain his or her own records. The office shall supply each family with "time sheets" that are used to write down the type of task performed, the time involved in completing the activity or to indicate the money spent on purchasing items to complete the activity or to aid in the classroom. If a family member or other relative wishes to participate in a volunteer activity on behalf of the student, then those hours of volunteer time shall be counted toward the family’s volunteer time. If a student, parent or guardian purchases material to complete a volunteer task, education-related task, or provide classroom materials, the student will receive one (1) hour of volunteer credit for every $20.00 spent. This policy includes guardians.

**NON-COMPLIANCE**

Failure to comply with the volunteer policies may result in disciplinary action being taken. Discipline may involve detention or the loss or restriction of privileges for the student, the extent of which shall be determined by the principal. Discipline shall be imposed on a case by case basis. The principal may consider the ability of a student and/or parent to comply, given their circumstances, in determining whether discipline is appropriate and the type and extent of discipline, if any, to be imposed. Any considerations given shall be uniform and consistent for all students and/or parents.
ATTENDANCE INFORMATION
Attendance Policy and Procedures

Oklahoma County Truancy Laws

It is important that you understand the laws concerning school attendance and truancy. Oklahoma Law holds you, as the parent, responsible for your child’s attendance at school. Oklahoma State Law requires that school officials keep attendance records and report excessive absences to the Oklahoma County District Attorney Office for the misdemeanor offense of Failure to Comply with the Compulsory Education Law. The penalty for this offense is up to five (5) days in the County Jail for every unexcused absence and/or $50.00 fine per day after the notice has been given. Fines and jail time increase for subsequent offenses. School officials have to report that your child has missed ten (10) or more days of school.

District Attorney’s Criteria for Absences that Do Not Count Against Attendance:

- **Medical Absences** - Documentation of doctor visits and medical absences must be turned into the office no later than five days after the visit in order to not count against attendance.
- **Funeral Absences** - Documentation of missing school for funeral related purposes must be turned into the office no later than five days after the event in order to not count against attendance.
- **Judicial Absences** - Documentation of judiciary related absences must be turned into the office no later than five days after the event in order to not count against attendance.
- **Religious Absences** – Documentation of religious related absences must be turned into the office no later than five days after the event in order to not count against attendance.

If any forgery occurs with above documentation, local authorities will be notified.

Unexcused Absences

Unexcused absences are those absences that a parent has not excused either by phone or written notice. Absences need to be “excused” by a parent on the day of the absence; otherwise, it remains unexcused. Tardiness will result in unexcused absences (please see the tardy policy below). Students are not allowed to make up schoolwork for days that they have an unexcused absence.

Attendance and Make-Up Work

If a problem of absenteeism persists, a conference may be held with the parent, the student and the principal. A behavioral or attendance contract may be written and signed by the student and parent, if under 18 years of age or the student may be subject to further disciplinary action, including withdrawal from HCHS.

When a student is absent, make-up work will be allowed only if the absence is excused. It is the responsibility of the student to arrange with the teacher to make-up work and/or take tests. All make-up work is due within a reasonable amount of time. The number of days absent plus one will be allowed; however, if work is not made up or arrangements have not been made by the end of the grading term a zero will be recorded for those assignments.
In the event of an extended illness, three (3) weeks or more, arrangements can be made for “homebound” instruction.

**School Activity Absences**

Students attending any approved activity during school hours must arrange with the teacher for any classroom work before the actual event occurs. Students will not receive additional time to complete such assignments unless permitted by the teacher. Students will not be penalized on their attendance for any approved activity.

**College Visits**

Students classified as juniors and seniors may take college visits and not be penalized on their attendance. This is a privilege that has been granted by the Governance Board of Harding Charter Preparatory High School. Please take this privilege seriously and use them wisely.

- Juniors are allowed 2 days of college visits in the 2nd semester of their junior year.
- Seniors are allowed 4 days of college visits during their senior year.

Students may pick up the college visit form in the office. These forms must be turned into the office before the actual visit date. Students are required to get confirmation with the college visited. Most colleges will gladly confirm that you have visited them, and many colleges even have their own form that you may use in addition to our form. Students should talk with their teachers in advance of the visit to get their homework as this is considered a “day at school” and not a normal excused absence.

Students should always make plans in advance with the college that you want to visit. Colleges usually have designated times for tours and speakers to answer your questions.

Students are reminded that while at the college, college rules will apply, and unacceptable behavior may result in loss of privileges. **After Spring Break, college visits must be approved by the principal.**

**COLLEGE VISIT DAYS LISTED ABOVE INCLUDE TRAVEL TIME.**

**Checking In and Out**

Students leaving school before regular dismissal time must check out through the office before leaving campus. Parent contact with the office will be necessary before a student is cleared to leave. Students must be signed out before they are permitted to leave. Students may only be checked out by individuals designated by the parents/guardians. These individuals were listed during the enrollment period and changes can be made by contacting the office. Any absences without permission are considered unexcused. Students leaving campus without prior approval from the office **WILL NOT BE EXCUSED AFTER THE FACT.** Students who leave and return to school the same day must report and sign in at the office upon returning.
**Tardy Policy**

Harding Charter Preparatory High School values the learning experiences that take place in the classroom environment and considers them to be a meaningful and essential part of its educational system. Tardiness tends to disrupt the continuity of the instructional process and time lost from class is irretrievable, particularly in terms of opportunity for interaction and exchange of ideas among students and between teachers and students. Therefore, classroom punctuality is considered to be an integral part of the students’ course of study.

A tardy, defined as not being in the classroom, becomes an absence after five (5) minutes of class time has elapsed. **Tardiness for only administrative reasons will be excused.**

Three tardies to any class will result in the student being charged with an unexcused absence. All tardies accumulate for each semester in each class.

Students displaying excessive tardy behavior each semester may be disciplined as follows:

1. *Three (3) tardies in a class* ............
   
   *2 hours of administrative detention.*

2. *Six (6) tardies in a class* .............
   
   *Parent contact made by the administrator.*
   
   *4 hours of administrative detention.*

3. *Nine (9) tardies in a class* ............
   
   *Conference with parents and Principal/Asst. Principal*
   
   *1 day of suspension.*

4. *Twelve (12) tardies in a class* ......
   
   *Conference with parents and Principal/Asst. Principal*
   
   *2 days of suspension.*
GENERAL EXPECTATIONS
HCP General Expectations

Harding Charter Preparatory High School recognizes that students do not surrender any rights of citizenship while in attendance. The school is a community with rules and regulations. Those who enjoy the rights and privileges it provides must also accept the responsibilities that inclusion demands, including respect for obedience to school rules.

General School Rules

Students will be expected to follow the rules set forth in this handbook as well as those, which might be established by the administration and individual teachers throughout the year.

Assemblies

During the school year, a number of planned assemblies have been scheduled. Some of these assemblies will be for the purpose of fostering school spirit (these are usually in the form of pep assemblies). Others will focus on the many and varied talents of the student. All assemblies will be the result of the hard work and efforts of the participants. Behavior should reflect how you would like to be treated if you were one of the participants. Follow these guidelines for attending assemblies:

1. Always report to class first.

3. Go quickly and quietly with the class and teacher to the gym or auditorium.

Students writing on lockers or defacing them in any way will be expected to pay for the damages and will lose the privilege of using one.

A student may be suspended out-of-school without the above pre out-of-school suspension conference with the student only in situations where the conduct of the student reasonably indicates to the principal that the continued presence of the student in the building will constitute an immediate danger to the health or safety of the students, school employees, or visitors or harm to school property, or a continued substantial disruption of the educational process.
2. In such cases, an out-of-school suspension conference with the student and the parent or guardian will be scheduled, either in person or by phone, as soon as possible after the student has been removed from the building.

In addition, when a principal decides to impose other correctional measures against a student, then the student will not be permitted to participate in any extracurricular activities offered by the school during the term of the discipline unless, in the sole judgment of the principal, such participation is appropriate given the nature of the offense committed by the student. “Extracurricular activities” include, but is not limited to, all school sponsored teams, clubs, organizations, ceremonies, student government, band and all other school sponsored activities and organizations.

**Student Drug Testing Policy**

In an effort to protect the health and safety of its students from illegal and/or performance-enhancing drug use and abuse, the Board adopts the following policy for drug testing of students who participate in all extra-curricular activities (“Activity Students”) as well as any other student who voluntarily wishes to be tested. This policy supplements and complements all other policies, rules, and regulations of the District regarding possession or use of illegal and/or performance enhancing drugs. The District believes that accountability is a powerful tool to help students avoid using illegal and/or performance-enhancing drugs and that early detection and intervention can save students’ lives.

Although the Board, administration, and staff desire that every student in the District refrain from using or possessing illegal drugs, District officials realize that their power to restrict the possession or use of illegal and/or performance-enhancing drugs is limited. Therefore, this policy governs performance-enhancing and/or illegal drug use by students participating in extracurricular activities and those who voluntarily participate in the drug-testing program. The sanctions imposed for violations of this policy by an Activity Students will be limited to the opportunity of such student to exercise the privilege of participating in extra-curricular activities. No suspension from school or academic sanctions will be imposed for violations of this policy unless found in possession or use on school grounds.

**The purposes of this policy are five-fold:**

1) To educate students as to the serious physical, mental, and emotional harm cause by illegal and/or performance enhancing drug use.

2) To alert students with possible substance-abuse problems to the potential harm that drug use poses for their physical, mental, and emotional well-being and offer them the privilege of competition as an incentive to stop using such substances.

3) To ensure families are aware of their student using or possessing such substances.

Procedures:

1. Consent Form: Activity Students:
   Each Activity Student shall be provided with a copy of the form “Student Drug Testing Consent: Activity Student”, which shall be read, signed, and dated by the student and parent or guardian before such student shall be eligible to participate in any extra-curricular activities. The consent requires Activity Students to possibly be randomly selected to provide a urine sample and submit to drug testing.

2. Consent Form: Non-Activity Students
   Each Non-Activity Student shall be provided with a copy of the form “Student Drug Testing Consent: Activity Student”, which may be read, signed, and dated by the student and parent or guardian at their choice. The consent requires Non-Activity Students to possibly be randomly selected to provide a urine sample and submit to drug testing.

3. Orientation
   Prior to the commencement of drug testing each year, an orientation session will be held to educate Participating Students of the sample collection process, privacy arrangements, drug testing procedures, and other areas that may help to reassure the students and help avoid embarrassment or uncomfortable feelings about the process.

4. Testing
   Drug use testing for Participating Students will be chosen on a random selection basis from the list of all Participating Students. The District will determine a number of Participating Student names to be drawn at random to provide a urine sample for drug use testing for illegal drugs and performance-enhancing drugs.

5. Appeal
   An Activity Student who has been determined by the athletic director to be in violation of this policy shall have the right to appeal the decision to the Superintendent/Principal. Such request for a review must be submitted to the Superintendent in writing within five (5) calendar days of notice of positive test.

Consequences:

**First Offense:** Within 5 school days of receipt of a positive test result, the District will contact and schedule a private conference with the parent/guardian to present the test results to the parent/guardian. A student with a positive drug test will be suspended from participating in any extra-curricular activities for 10 days. After the 10-day suspension, in order to continue participating in the activity, the student and parent/guardian must provide proof to the Superintendent/Principal that the student has received drug counseling from a qualified drug treatment program or counseling entity.

**Second Offense:** A student with a second positive drug test will be suspended from participating in any extra-curricular activities for the remainder of the semester. After the semester suspension, in order to continue participating in the activity, the student and parent/guardian must provide proof to the
Superintendent/Principal that the student has received drug counseling from a qualified drug treatment program or counseling entity.

**Third Offense:** A student with a third positive drug test will be suspended from participating in any extra-curricular activities for the remainder of their time at HCP. Parents should strongly consider additional assistance from outside sources, including, but not to be limited to, the possibility of drug treatment centers.

**Refusal to Submit to Drug Use Test:**

A Participating Student who refuses to submit to a drug test authorized under this policy shall not be eligible to participate in any extra-curricular activities. Additionally, such students shall not be considered for any interscholastic activity honors or awards given by the District.

**Asbestos Hazard Emergency Response Act of 1986 (AHERA)**

Requires the inspection of all buildings for asbestos. The school has complied with this act. A management plan documenting these inspections is on file for public review. Upon request, you may view the plan which is located at the principal’s office. Harding Charter Preparatory High School annually notifies all parents, teachers and other employees posting this notice. Additionally, information regarding any asbestos related activities, planned or in progress, will be disseminated by posting a notice, or using handout bulletins, flyers and/or using newspaper public notice statements. The asbestos identified in our management plan will be checked regularly by a licensed asbestos company and by our staff to scrutinize any changes in the material which could cause a health hazard. We will continue to monitor the asbestos as defined by EPA guidelines. If changes occur, we will notify the appropriate people as described by law.

**Effective Date/Retroactivity of Student Handbook**
